There exists a conflict between the Council Resolution & the correspondence on the subject. While the former calls it a cycle allce, the letter of the Finance Secretary to Govt. & the Govt. order thereon call it a conveyance allce. The Govt. order also stated that the Resolution referred to Rs 5/- as the cycle allce. The Resolution does not state so.

With reference to your letter No A 6 C 763/33-34 dated 25th July 1934, I beg to submit that the present pay of the Octroi Mutsaddi is Rs 20/- as sanctioned in G O No L 9867-8/Mi 347-27-2 dated 18th June 1928 and the appointment carries no allowance The octroi Mutsaddi's pay was recommended to be raised by the Council and embodied in the Budget which is approved thereupon in G O No L 771-2/Mi 291-32-9 dated 26-7-33 and the council thereupon recommended that the revised scale may be given effect to from 1st July 1933 in their resolution No X dated 1-8-33 This allowance claimed is not intended for the work connected with octroi This is meant for the extra work that devolves upon him in connection with the work of supervising Toll collection and the collection of the amounts from the toll-gates and remitting that amount to the office and the work of maintaining toll accounts with which he has been entrusted in addition to his own work as a matter of economy, for discharging this work The octroi Mutsaddi had been given an allowance of Rs 5/- vide G O No L 1080-2/Mi 221-31-12 dated 10/11-8-32 In view of the responsibility involved and the satisfactory manner in which the work is being done which brings in a very good revenue to the Municipality an increased allowance was thought to be deserving and the allowance was proposed to be raised to Rs 7-8 (from 5 to 7-8-0) and embodied in the budget is also sanctioned vide G O No L 771-2/Mi 291-32-9 dated 26-7-33 The Council later on recommended in their resolution No X dated 31-8-33 that this allowance also may be given to the Mutsaddi with effect from 1-7-1933

I request you therefore to be so good as to kindly obtain sanction for giving effect to the resolution to place him in the scale and to draw the increased allowance from the said date This is not a conveyance allowance but it is only an allowance for the additional work and responsibility that is laid upon him
